About Murali Mohan Charitable Trust

I would like to thank you for your support through my academic achievements. I truly appreciate you taking the time to reach out and help students like myself so that we can progress in our education. Thank you for making it financially easier for me to go to school and continue my education at a steady pace. This allowed me to focus on my academics throughout the semester without dealing with a financial strain that may have caused difficulty in maintaining my course credits. I have successfully completed by B. Tech in ECE stream in 2013. I'm currently working in Bahwan ITON Technologies as JAVA DEVELOPER.
